There will be a five judge panel: three on music, one on marching and one on entertainment. **No captions will be judged.** Awards will be based on ratings: 100 points total; 60 music, 20 marching, 20 entertainment. Ratings will be 81-100 points=superior (I), 61-80 points=excellent (II), 41-60 points=average (III), 21-40 points=below average(IV) and 0-20 points=poor (V). All performances will be during the day.
